Digging Down to the Hard Pan of Facts

Avoiding long windedness and giving "THE CUBIC THOUGHT" of this business at this particular moment. Stock is too large, and the best remedy is to get prices down to tempting figures. We have gone over our stock fearlessly cutting down former prices—Just because of our desire to reduce our stock. And we've made the new prices low enough to be of interest. It's a genuine sale in every sense of the word.
